## Specifications On Policies, Rates and Dates

### TERMS:

All invoices are due upon receipt and are considered late after 30 days. A 1-1/2% late charge will be applied monthly on overdue invoices. Agency commission of 15% applies to recognized agencies, provided accounts are settled within 30 days of invoice date. All unpaid invoices will be turned over to our collection agency after 105 days of invoice date.

### SHORT-RATES:

In the event advertisers do not complete contracted schedules, they will be required to pay the difference between the original contracted price and the frequency rate for actual number of ads that were published.

### RATE INCREASES:

Rates are not subject to change for companies with an existing contract regardless of circulation increases or paper cost increases.

### LIABILITY:

Publisher is not liable for all content (including editorial and illustrations provided by an advertiser or agency) of advertisements and editorials published and does not accept responsibility for any claims made against the publisher. It is the advertiser's or agency's responsibility to obtain appropriate releases on any item or individuals pictured in an advertisement or editorial. Reproduction of Electrical Products & Solutions™ in whole or in part without prior written permission from the publisher is prohibited.

### DISCOUNTS:

Frequency discounts apply to insertions that are placed in advance and must be completed according to the terms of the contract agreed upon by the advertiser and publisher.

### INSERTS:

All inserts and special advertisement prices are available upon request.

### DATES:

Call for deadlines on advertising closings, editorial deadlines and advertising material deadlines.
